DRC resolved that the matter be referred to 'Competent Authority'. In this case the competent authority is Chief Medical Officer/Board of the State which is empowered to decide about the extent of various physical/psychological disabilities for admission to various courses of this university. Mere recommendation of medical officer of our university ~~is~~ won't be valid in this case, that too ~~in~~ in absence of the person requesting for keeping his registration in abeyance on medical grounds.

- I endorsed the view of Prof. Riyaz Ahmad Rainayee.
