Sir/Madam,

Hon'ble Chancellor made following observations/comments, during the  
University Council meeting held on **20-03-2023**:

Stressing the need to conduct research activities focused on  
local environmental and socially relevant issues by the  
University. Such applied research and scientific intervention  
should be aimed at providing solutions to local problems being  
faced by the society. This would help in creating a knowledge  
base which can be shared to improve decision making and to  
serve as building blocks in the creation of new knowledge in  
future.

In this connection, I am directed to request you to take concrete steps to  
maintain continued focus on local environmental and socially relevant issues by the  
University. Such applied research and scientific intervention should be aimed and  
providing solutions to local problems being faced by the society. This office be  
informed about the initiatives taken in this regard by the Deptt. for preparing action  
taken report to be placed before the next University Council meeting.

Early action in the matter would highly be appreciated.
